

# Important Things

## *Embracing a Sustainable Culture of Greatness*

3 easy steps to a powerful results-dominated event at *your* place

### **Step 1** – Identify the important things

- List 3 or 4 things that your team should be focusing on in order to establish and /or maintain your sustainable culture of greatness
  - These may be things that have already contributed to your culture of greatness
  - These may be things that you would like to see incorporated into your culture of greatness

### **Step 2** – Identify the people

- Name the people within your organization who will benefit most from having the important things reinforced in a hands-on event

### **Step 3** – Schedule a professional Power Summit Facilitator

- We will build a discussion around *your important things*
- We will validate your core philosophies and principles
- We add our experience and that of the industry to yours
- We present / facilitate with authority and conviction
- Your people will hear it from someone else
- Schedule half or full-day sessions to suit your team
